

Management & Staff

We celebrated our 50th wedding anniversary at epur restaurant on Saturday, 6th July & what a great choice it was. The table was situated exactly in the position I had requested; there was no problem about us changing the seating of our guests after the main course; the food was totally amazing & the service provided by the staff was perfect - unobtrusive & yet very attentive.

Please pass on our thanks to all involved for helping to make our big day such a success.

Sincerely,
Ian & Betty Inglis
