

Hi Mark

Its taken a while but finally getting round to saying thankyou!

Craig and I would like to thank you for the professional and top class service you provided for Amy and Kristophers wedding reception last January.

The venue was amazing and we were lucky enough on that night to be able to enjoy the most fantastic view with the doors open and not a breath of wind! The food was first class and the service was top notch, we were not disappointed!

Amy and Kristopher were very happy with everything and it made the day very special for them, so thank you.

The whole process from the start was flawless and you were always there ready to help out any issues we had, so thankyou again to yourself ,Ross and your staff for making Amy and Kristophers day one to remember.

Thanks again Mark

Regards

Clarissa
