

Dear Mark, Ross, Emmi and the team,

On behalf of Australian Capital Equity, I would like to thank everyone at Zaffferano for such a great evening. The food, service and the ambience was nothing short of amazing!

Ross – thank you for a great dinner, particularly the Risotto.

Everyone enjoyed the evening and I do hope there will be repetitive business coming out of this event.

Once again, thank you for making my job easier!

Regards
