

Dear Ross,

I just want to thank you and Mark and your staff for making my birthday party so special.

The food was stunning and I so appreciate you coming in to do it as your touch does make a difference!

Everything was wonderful.....as were the platters the next day..... and Ronnie told me she is so happy they went to you for their Christmas party.....and the few anecdotes!!!!!!!

Again.....thank you both so very much.

See you soon!

Elizabeth
