

Hi Mark

Thankyou to you and your amazing team for the wonderful evening we had at Zafferano on May 10th.

From the moment we arrived at the restaurant, your staff were just so attentive and wonderful. The service was second to none and each person just knew exactly what to do and say to make the evening so memorable. The food was excellent and we were very impressed with the speed of service and the consistent quality and of course excellent flavour and presentation.

We had so much positive feedback from our guests, both verbally on the night and written days afterwards all praising the wonderful evening they had. Not one person had anything negative to say and everyone had a great time. So once again many thanks, and we will be sure to recommend Zafferano restaurant and its team to all.

Kind regards

Warren and Stacia Wright.
